FAQ'S

Why participate in the Spring Recital?

Dance is a performing art. Our recital gives dancers the opportunity to share all of the skills they have been learning and working on. Think of it like being on the football team, but never playing in a game! We recommend that all dancers perform.

Will there be a video of the show?

Yes! We will be recording the show and giving all DDC families a FREE digital copy of the performance. You are welcome to share this with any family & friends!

Will there be a livestream of the show?

No, unfortunately we are unable to do a livestream of the performance. Please feel free to share the recording with anyone who is unable to attend the show!

What will make this day the best experience for my dancer?

- Arrive on time! We have many families & dancers to accommodate on show day. Please be respectful of everyone's time by arriving ready at call time. There will not be time or space for dancers to get fully ready for the performance in the venue, & we cannot hold the show for dancers who are late.
- If you need to leave the audience for any reason during the show, please exit in between dance numbers.
- Double check your costume details on the class portal & make sure you have all costume pieces (including shoes) the day (or two) before the show.
- Dancers should try to use the restroom before they check in with us for the show.
- Cheer your dancer on! Be loud & proud in supporting them as they perform & give them all the love after the show!
